# Who We Are:

**Surya Yoga Studio and Up Way, Wellness and Branding collaborate to bring you a once in a lifetime experience. Our shared passion of bringing the art of yoga into other people's lives is why you are here.**

**Real People. Real Life. Real Yoga.**

## **Surya Yoga Studio - Tonya Lucas & Murphy Tyler**

Surya Yoga Studio opened in Simpsonville, SC in December 2017 with the dream of bringing yoga to this community. We have achieved this dream and now we aim to expand as much as we can in this area. By working with other small businesses in Simpsonville and surrounding cities, we are able to spread the practice of yoga even more. The Surya Yoga yogi's have developed friendships and we are very proud of this community we created. So...it's time! Time for our first overseas retreat in Costa Rica!

## **Up Way, Wellness & Branding - Emily Gillespie**

In the spring of 2021, Emily took the spiritual leap to further explore and develop her own yoga practice. Months of learning asana, breath work, Sanskrit and meditation practices, she graduated from Surya Yoga Studio with her teaching certificate. Incorporating flows for both mind and body, Emily's teaching style allows room for expanding your mind and trusting your physical abilities, knowing you are stronger than your mind.

# Tierra de Sueños

## Where are we going?

**Tierra de Sueños Wellness and Retreat Center, located in Playa Chiquita (“little beach”), is nestled in the jungle; surrounded by some of the most beautifully turquoise and warm waters in Costa Rica.**

**The Retreat Center is located just outside the tourist port town of Puerto Viejo de Talamanca. The beach is only a 5 minute walk away.**

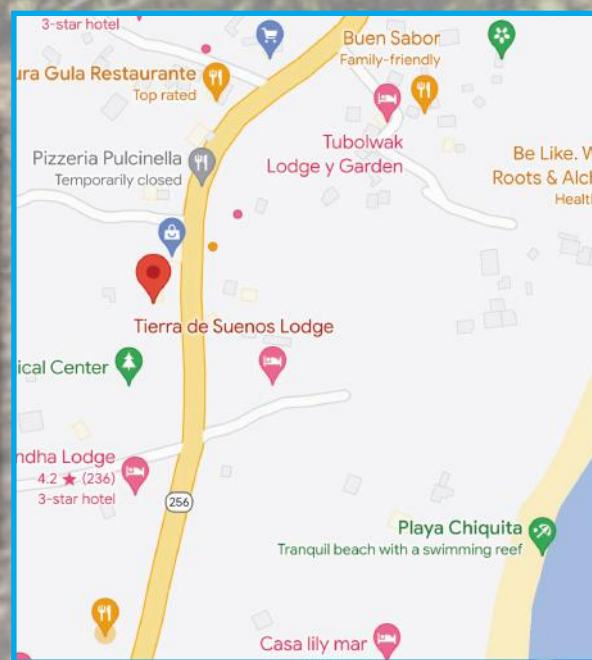

**There is a local market, a few cafes and great eating options close by.**

**If you wanted to travel to Puerto Viejo, transportation is readily available and inexpensive.**

**The address is:**

**(50 meters north of Hotel Shawanda in Playa Chiquita)**

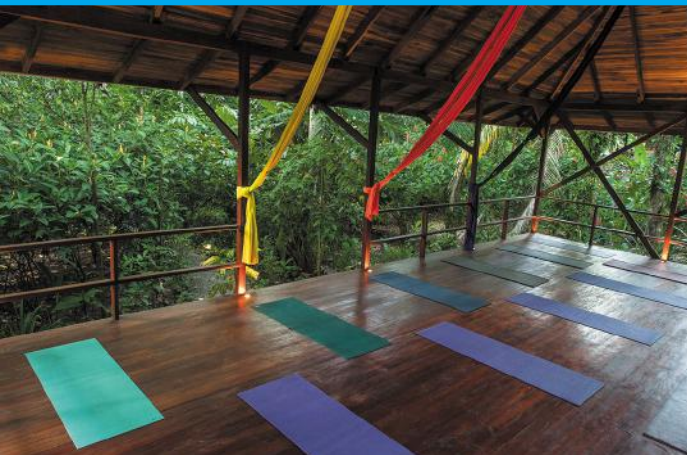

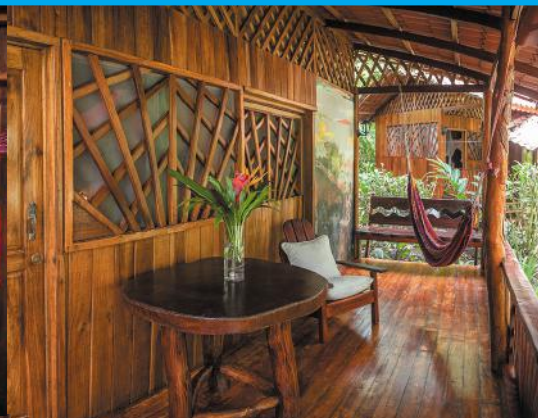

**Puerto Viejo de Talamanca, Limón Province, Costa Rica 70403**

# THE SPACE:

# Bungalows

Yoga Pavillion

# Gathering Spaces

## **Retreat Expectations:**

The Retreat Center is eco-tourism at its core, especially being nestled in the jungle. You will see, hear and cohabitate with monkeys, toucans, sloths, bugs, macaws, and other natural wildlife. You will notice a high level of humidity – take note as you start to pack, quick dry options are preferred!

This is not the resort life where there are buffets and flowing drinks, instead an opportunity to envelope within and appreciate the local culture, scenery and cuisine.

This retreat asks you to get in touch with your most authentic self. We ask you stay present, enjoy every moment, take it all in, and reflect on how you can take this experience into your real world life. We will experience a lot of beautiful things as a group, but it is okay to take time for yourself when needed.

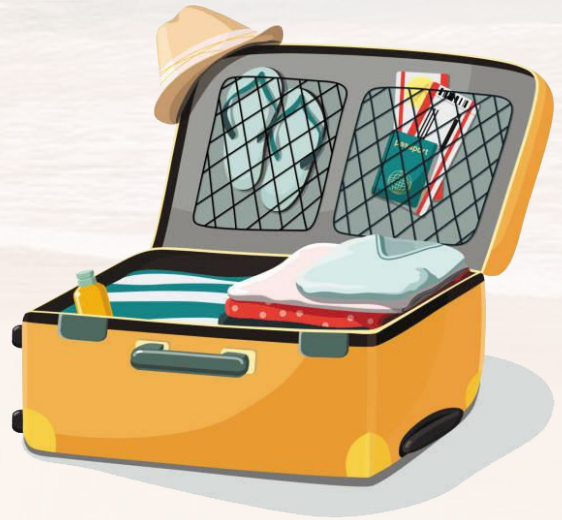

Start now embracing the Pura Vida lifestyle!

***“Pura Vida” = an expression of happiness, optimism, and living life to the fullest.***

As we get closer to our trip, we will provide flight information for you to book your flight. Our goal is to fly as a group. In the meantime, here are a few helpful tips for your travel:

- Passport - you will need one
- Bring a book, headphones and a cozy neck pillow for the long flight
- Pack any medications that you may need during the trip
- As with any country, there is a change of petty theft - we suggest packing a small cross body pack/purse that you can wear on the front of your body. Better safe than sorry!

From the airport, there is a 5 hour drive to Tierra de Suenos – we will stop half way to each lunch and stretch our legs. It is suggested to bring a book to read or listen to during the drive.

If we wanted a quicker ride, we would have to book a domestic flight into Limon, which is only a 1 hour drive to the Retreat Center. This is something we can discuss as a group as we get closer.

# **Travel Information**

# FAQ's

## **1. Payment Schedule - Venmo: @Tonya-Jean-6**

Total Retreat Cost = \$2500. Deposit: \$500 by July 20th. Early Bird: Discount of \$200 if you secure your spot by July 1st. Bring a Friend for \$4050 (\$2025/person).

## **2. What time is check in/check out?** Check In: 2:00pm. Check Out: 11:00am

## **3. What will the weather and temperature be like during our stay?**

Playa Chiquita is known as a “micro-climate” (meaning the variable factors affecting this region are independent from the rest of the country). Rest assured, June is a beautiful month to visit, with average temperatures ranging between 79-88 degrees. June days will start out with sunny skies, with a potential quick afternoon shower. Please be prepared for sudden rainfall by packing rain gear (a rain jacket & closed toed shoes if you don't want soggy feet) and an small umbrella.

## **4. Are there mosquitoes?**

Yes, as expected in the rain forest. There are clothes treatments we recommend that will repel those pesky creatures for up to 5 washes – Sawyer Premium Insect Repellent works amazingly and has over 17,000 5-star reviews on Amazon.

## **5. Do I need to bring my own yoga mat?**

We suggest bringing your own mat. The Center has mats but noting they live in the rain forest and are subject to being weathered. Gaiam makes folding travel yoga mats that are perfect for this occasion.

## **6. Is there a grocery store close by?**

A grocery store is a short walk from the Center – you can purchase beer, wine, snacks and basic necessities.

## **7. What is the cell service like? What if there is an emergency?**

The Center has a local phone that can call anywhere in Costa Rica. Cell phones generally have okay reception in the area. If a family member needs to get in touch with you, here is the Costa Rica phone number they can call to reach the Center: 506-2750-0378 or by calling the North American number: 360-799-3033

## **8. Is there WI-FI?**

WI-FI is available in the main lodge and eating area, just not in the bungalows.

## **9. Is there laundry?**

There is a laundry mat located close by (a 3-minute walk).

## **10. Do I need any vaccines to travel to Costa Rica?**

No vaccinations nor a health pass are required. It is suggested that you are up to date with hepatitis, rabies, and tetanus shots. Please consult with your doctor if you have any questions or concerns.

## **11. What currencies should I use?**

Cash is suggested. US Dollars are widely accepted, but it is recommended to bring Colones (\$1 USD = \$540.12 Colones). Request Colones from your bank prior to travel, especially to avoid costly exchange fees at the airport. There are a few banks and ATMs in Puerto Viejo in case you need it. Visa and Mastercard are the most commonly accepted, but some places do accept AmEx, Discover and others.

## **12. Do I need travel insurance?**

Only if you want to in case of emergency - it is not required for travel.

## **13. What amenities are included in the bungalow?**

There is a safety deposit box, ceiling fan, electrical outlets (which are the same here as the US), mosquito nets that cover the beds and locally made soap, shampoo, and conditioner. If you need something your room does not have, please let us know so we can get in touch with the staff.

## **14. What are the bungalows like?**

These gorgeous hardwood ecotourism minded bungalows are set into the lush nature scape of the property. Each bungalow has a different theme expressed in the hand carved wood, tile mosaics, painted murals, and artistic details. Enjoy hot showers and cool breezes from the overhead fan and large screened windows. Bungalows are constructed in traditional fashion with zinc roofs, open-air screens, and wooden walls. Staying in one of the bungalows means being close to nature, sleeping to the sounds of the jungle, and maybe relaxing in the hammock on your front porch. Observe heliconias, insects, sloths, hummingbirds, toucans and more. There are queen beds in each bungalow. If rooming with someone and you need an extra bed, just let us know; twin beds are available to put into your room.

## **15. What is the yoga space like?**

The Yoga Pavilion is open air and set in the jungle landscape. It is made of wood and will be quaintly creaky. The surface is smooth and can be slippery so please be aware when doing movement on and off your mat.

## **16. Do I need a Passport?**

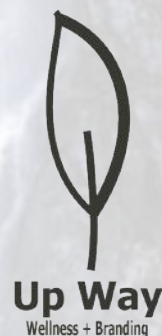

Yes! If you do not have one, please apply for one ASAP! It takes weeks for them to process. The sooner the better. Go to <https://travel.state.gov> to apply now.
